

A Parent's Prayer

Dear Father in Heaven
I praise and thank You
for the many blessings You
have bestowed upon my family.
I especially thank You for
Your gift of creation and the
children you have given us.
I offer a lifetime of sacrifice that
they may grow in their knowledge
of Your goodness and love;
that they may know
Your presence in their lives;
and that they may appreciate the gifts
and talents You have given them.
Help them, dear God,
to see the path You set before them.
Send Your Holy Spirit
to bless them each day
with Your life and with Your love.
I ask this through Your Son,
Christ, our Lord.

Amen.
