### Program of Religious Education.....Monday 6:15 PM at School

We at Saint Theodore believe that our Religious Education Program is a continuing journey of faith. It is one that begins in the home and is reinforced by our weekly classes. One of our main objectives is to teach the students the basic principles of the Catholic faith, however, giving meaning to the rituals and symbols of our faith is not enough. It is up to you, as parents, to provide a daily commitment to God by practicing the gift of faith and setting an example for your children. Our efforts will not be effective unless they are combined with your efforts.

**The Youth Ministry** is ready for an exciting year with lots of fun, social stewardship, and spiritual activities. Any youth in grades 6th thru 12th, are invited to join. College students, and adults are welcome to participate on a volunteer bases. This ministry is not a requirement of Rel. Ed. classes but should be thought of as a great opportunity for young adults to become involved in their church and give back not only themselves but others.
